A compass has four main directions, which are north, east, south and west. Part of the compass (the needle) will always point north. You then have to work out which direction you are facing depending on where north is.

Key Vocabulary

map	A specially drawn picture of a place from above.
symbol	A picture that represents a word or group of words. They are used on maps to make things clear and easy to find.
house	A building that people live in.
compass	A special tool that helps you know which direction you are facing.
direction	Where someone or something is pointing or moving.
fieldwork	Using maps to go out and about to get a practical understanding of something.

Would you be able to label it?
What else would you find on a map?
