19th December 2024

Dear Parents/ Carers,

Notices for Spring Term 2025

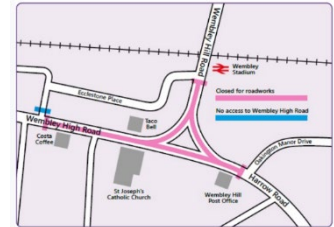

Before we finish for the winter holidays, here are some important notices or reminders:

Spring term starts for children on Tuesday January 7th 2025.

Pupils must arrive by 8:55am for the start of school.

Gates open for soft start at 8:45am.

Major Roadworks will close Wembley Triangle from 13th January until mid-May. Some buses and emergency vehicles will have access but there will be diversions for private vehicles and major disruption expected. Further information available here: <https://www.brent.gov.uk/parking-roads-and-travel/roads-and-streets/roadworks-and-closures/wembley-high-road-closure>

Please plan ahead allowing a lot of extra time for travel. This could be a good time to switch to **more active** and **sustainable** travel, such as walking, scooting, cycling, or taking the bus.

Cycle safety – wear a helmet!

We encourage safe, active travel and love to see children arriving on bikes and scooters. It is concerning seeing children on the back of adults' bikes and without the protection of a helmet. Please keep your child safe and ensure they wear a helmet.

Change of Date: Parent/ Carer Teacher Meetings (Spring Term)

A major Wembley Event (football match) has been scheduled on the date we had set for the parent/carer teacher meetings (February 26th). In light of the disruption with the roadworks and the major event, we have rescheduled the parent/ carer meetings for the last week of the spring term.

The new date will be Tuesday April 1st 2025 and school will close early for pupils.

For those of you who celebrate, may I take this opportunity of wishing you a Merry Christmas. I hope everyone has a happy, healthy and peaceful holiday and a good start to 2025.

Yours sincerely,

Mr Raphael Moss
Headteacher
