Statement from Elsley Primary School

March 14, 2025

Miss Vivienne Williams was a qualified teacher and was employed at Elsley Primary School from 2016 until 2021.

I want to reassure our school community that there was no suggestion of any improper behaviour from her towards our pupils or anyone within our school community.

However, the serious actions for which she was convicted are completely incompatible with being a teacher and a trusted professional.

In addition to being convicted through the courts, she has been banned from teaching for life.

The safety and well-being of our pupils remain our highest priority, and we continue to uphold the highest standards of professionalism and integrity within our school community.
